

Introducing the Westboro Dinner Club – Interested?

*The Westboro Community Association is exploring the idea of a **Westboro Dinner Club**, where local residents gather for casual dinners at neighborhood restaurants to support local eateries and connect with each other.*

Our first event will help determine if there's enough interest to move forward with the club and whether it should meet monthly or quarterly.

What to Expect:

- *Casual dinners at local restaurants with the option to attend as your schedule allows.*
- *No membership fees - just pay for what you eat and drink.*
- *A chance to meet neighbors in a friendly, relaxed setting.*
- *Restaurants will be aware of any special requests (e.g., vegetarian options, food allergies).*

First Proposed Event: *We're kicking things off with a casual dinner at **Koichi Ramen**, the Westboro location that opened officially in September 2024.*

*Join us on **Wednesday, May 28, 2025**, at **6:00 p.m.** at **Koichi Ramen, 295 Richmond Rd, Westboro**. There is a liquor license, including wine, beer and saki. Check the menu [here](#). Vegetarian options available.*

How to Sign Up:

- ***RSVP by May 19th*** - *Send your **name, mailing address** (Westboro residents only), and **email** to westborodinnerclub@gmail.com. (do not contact the restaurant directly).*
- ***Commitment:*** *Please honour your reservation, as the restaurant plans based on attendance.*

This event is a chance to discuss whether the Westboro Dinner Club should continue. If you can't attend but are interested, email westborodinnerclub@gmail.com with your suggestions.

We look forward to hearing from you and hope to dine together soon!
