

Westboro Dinner Club

The Westboro Community Association has officially launched the Westboro Dinner Club, where local residents gather for casual dinners at neighbourhood restaurants to support local eateries and connect with each other.

What to Expect:

- Casual dinners at local restaurants with the option to attend as your schedule allows
- No membership fees - just pay for what you eat and drink
- A chance to meet neighbours in a friendly, relaxed setting
- Restaurants will be aware of any special requests (e.g., vegetarian options, food allergies)
